

2017 ICA INTERNATIONAL CONFERENCE

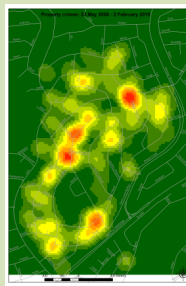

My street, my neighbourhood, my city - CPTED in action

7 & 8 August 2017. Calgary, Alberta, Canada

Coast Plaza Conference Centre

Who should attend?

If you are a planner, urban designer, architect, police officer, safety professional, community leader, safety and security consultant, or in any way involved in initiatives aimed at creating safer communities, you cannot miss this important conference on Crime Prevention through Environmental Design (CPTED)!

Abstracts have been received from the USA, Canada, the UK, Australia, New Zealand, South Africa, Kenya, Chile, Honduras, Ecuador, Mexico, India, South Korea, France and Denmark.

Join delegates from around the world to discuss a range of topics, including:

Roles of CPTED implementers (community groups, local government, the police etc.)

Reducing crime through the planning, design and management of the environment

The role of CPTED in responding to challenges related to homelessness

Creating safe public spaces

CPTED in developing country settings

CPTED and educational institutions

Register today at www.cpted.net
